A. J. Hospital & Research Centre

Kuntikana, Mangaluru - 575 004, Karnataka, INDIA

(A multi-discipline super specialty hospital of the Karnataka coastal region)

Scope for Health Administration

Healthcare is one of the fastest growing sectors. The health needs of the future will call for increase in the number of hospitals. Rapid advances in science and technology have given rise to specialization and the creation of multiple specialty departments. Hence there is a need for professionally trained personnel in the field of hospital administration who can ensure quality optimization and better productivity.

Masters in Hospital Administration programme provides the basic and advanced knowledge in healthcare delivery system, its complexities and the role of healthcare institutions. It is an excellent chance to work in this perpetually growing sector worldwide with 100% placement opportunities in Hospitals, Health Insurance, Government organizations related to Healthcare, NGOs, etc. Internship in Healthcare Quality for a period of 1 year.
